

Fitchburg Youth Football and Cheer, Inc.

One Team. One Goal. One Family. One Soul.

Fitchburgyouthraiders.org

2016

Dear Community Partner,

Fitchburg Youth Football and Cheer needs your help. We offer a safe and constructive place for over 100 children in Fitchburg to learn the life lessons of commitment, teamwork, loyalty, and respect. Our football and cheer programs are very competitive at all levels, and reflect well on our city.

The challenge is funding. Equipment, uniforms, and field maintenance are all very costly. If we were to charge families what it costs to run the program, many could not afford to participate. Currently a single player registration is \$150. The actual cost per child after insurance, equipment, league fees, and a pro rata share of maintenance costs is roughly \$250.

We must raise funds every year in order to keep this program affordable to the children who need it most. Please consider one of our attached sponsorship opportunities. Ensuring the survival of Fitchburg Youth Football and Cheer, in some ways ensures better citizens and business patrons for our city.

Warm regards,
Karen Baldyga
